2 Seater 500cc Side-by-Side Utility Vehicle

FALCON 500-2S...

The Falcon 500-2s strikes the perfect balance between trail performance and rugged utility. Equipped with a 500cc EFI engine, shaft drive, and 4WD capabilities, it\\\\\\\\\\\\\\\\'s built to conquer rough terrain while remaining comfortable and easy to handle.

Its water-cooled motor, selectable high/low gear range, and generous ground clearance make it a powerful partner for both work and adventure. Whether it\\\\\\\\\\\\\\\\'s trails, bush, or farmland, the Falcon 500-2s won't let you down.

- 59kW V-twin CFMoto engine
- Electronic fuel injection and liquid cooling
- 4WD with selectable drive range
- High 350mm ground clearance for serious terrain
